Watershed International Share Portfolio

Investment Profile

A Professionally Managed Portfolio of International Shares

The Watershed International Share Portfolio is a separately managed account, or SMA, actively managed by Watershed Funds Management. SMAs are professionally managed portfolios of direct shares whereby the investor receives beneficial ownership of the underlying securities.

Investment Objective

The objective of the Watershed International Share Portfolio is to provide attractive investment returns over the medium and long-term while reducing the risk of permanent capital loss. The Portfolio consists of investments in high-quality global businesses whose shares are listed on major global stock exchanges. The Portfolio aims to outperform the MSCI World Index (excluding Australia) over a rolling three-year period by 2 - 3% per annum.
